

# 1 Project & User Management Perspective

The Perspective is subdivided into two views. The **Navigator** is on the left, and the **User Management View** is on the right side.

The screenshot shows the TextGridLab application interface. On the left is the Navigator view, displaying a tree structure of projects and repositories. On the right is the User Management view, showing a table of users for a specific project.

**Navigator View:**

- Homer
  - Ilias
  - T0048-00474-DEF
  - T0048-00475-DEF
  - T0048-00476-DEF
  - T0048-00477-DEF
  - T0048-00478-DEF
  - T0048-00479-DEF
- Schiller
- TBLE Summit
- TextGrid Repository

**User Management View:**

Homer (TGPR-a8139dd3-16c1-21bd-2096-4fc488a719e2)

User Name	User ID	Project Manager	Authority to delete	Editor	Observer
Max Mustermann	max.mustermann@textgrid...	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Maxi Musterfrau	maxi.musterfrau@textgrid.de	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Moritz Musterknabe	moritz.musterknabe@textgr...	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
